Prayer Suggestion

For the Sick – Let us remember to keep in prayer those connected to our church who are struggling with various health issues. Let us remember to lift up in prayer Olinda DeMedeiros, Betty Mills, Silvie Dosser and Linda Woodbury. We may not know the full extent of their struggles but God does. Pray for healing, for strength and for peace for each of them. And let us remember to be praying for their families and friends as they do their best to support those they love.

Summer Student Intern – As we begin to look for a Summer Student Intern please pray that God will connect us with the right individual who will not only support our ministry but who we will be able to encourage and bless as well.

VBS – Our summer Vacation Bible School program plans are underway please remember to keep this ministry in your prayers. Pray that God will raise up leaders and workers to help us put our plans together and let us pray that God will help us connect with families in our community who could benefit from participating in this ministry.

Local Board of Administration (LBA) – Please remember to be praying for our pastor and for the members of our church board. Ask God to pour into them His wisdom and discernment as they serve the church in their leadership positions.

Sunday School Classes – Let us give thanks for our Sunday School Classes and pray that God will use these classes to help speak into the lives all those who take part in them.

Devote yourselves to prayer, being watchful and thankful.
