**For the Sick** - Let us remember to keep in prayer those connected to our church who are struggling with various health issues. Let us remember to lift up in prayer Olinda DeMedeiros, Terry Richardson, Betty Mills, Valerie Welch, Tammy Dillman, Fred Wilcke and Pastor Chris. We may not know the full extent of their struggles but God does. Pray for healing and for strength and for peace for each of them. And let us remember to be praying for their families and friends as they do their best to support those they love.

**Pray for Unity** – Let us give thanks to God for each person who makes up the church and let us pray for unity and ask God to help us be quick to forgive one another and be generous towards one another with our love.

**Give Thanks** – Even in our toughest situations God is with us. Let us thank God for never leaving us nor forsaking us.

**For our Community** – Let us remember to pray our community. Let us pray that as a church we may be a beacon of light for those who are hurting.
