Prayer Suggestion

For the Sick – Let us remember to keep in prayer those connected to our church who are struggling with various health issues. Let us remember to lift up in prayer Olinda DeMedeiros, Betty Mills, Silvie Dosser and Paul Nelson (Margaret and Eric's son). We may not know the full extent of their struggles but God does. Pray for healing, for strength and for peace for each of them. And let us remember to be praying for their families and friends as they do their best to support those they love.

Summer Student Intern – As we begin to look for a Summer Student Intern please pray that God will connect us with the right individual who will not only support our ministry but who we will be able to encourage and bless as well.

VBS – Our summer Vacation Bible School program plans are underway please remember to keep this ministry in your prayers. Pray that God will raise up leaders and workers to help us put our plans together and let us pray that God will help us connect with families in our community who could benefit from participating in this ministry.

Community – Let us pray for the leaders of our community. Pray for our mayor and for council. Ask God to bless them with wisdom and pray that that they will be encouraged as they serve our community.

Broken Hearted – Let us pray for those who are hurting and are broken hearted. Pray that God will enter lives in a supernatural way, that He will speak into their lives and give them hope.
