**Prayer Suggestion**

**For the Sick** – Let us remember to keep in prayer those connected to our church who are struggling with various health issues. Let us remember to lift up in prayer Olinda DeMedeiros, Betty Mills, Silvie Dosser, Linda Woodbury and Paul Nelson (Margaret and Eric's son). We may not know the full extent of their struggles but God does. Pray for healing, for strength and for peace for each of them. And let us remember to be praying for their families and friends as they do their best to support those they love.

**Summer Student Intern** – Maddy Wiley is our new Summer Student Intern. Let's pray for Maddy as she prepares to start her new position here at Dundalk Wesleyan Church in June.

**VBS** – Please be praying for this ministry and for the children and families that will be touched by it.

**New Connections** – Let us pray that as a church we can make real and positive connections with people in our community.

**Covid-19** – Let us pray over this issue and lift up Canada and the world as countries all over the world with the pandemic.

**Summer Student Intern

We're happy to share the awesome news that Maddy Wiley (daughter of James and Sonya) has been offered and accepted the Summer Student Intern Position!

## Have You Thought About Being Baptized?

Baptism is one of the two sacraments of the church which Christ called his disciples to practice. If you have questions or would like to be baptized please talk with Pastor Chris.

“<sup>4</sup>There is one body and one Spirit, just as you were called to one hope when you were called; <sup>5</sup>one Lord, one faith, one baptism; <sup>6</sup>one God and Father of all, who is over all and through all and in all.”

## **Covid-19 - What You Can Do To Help Protect Yourself And The Church**

**"Let each of you look not only to his own interests, but also to the interests of others." (Philippians 2:4)**

The World Health Organization (WHO) has declared Covid-19 a pandemic. Though the risk of contracting this virus in Canada is currently low the risk appears to be increasing. Here are some basic ways we can help slow the spread of this virus and protect each other.

### **If You Feel Unwell**

If you have a fever, cough or are finding it difficult to breath stay home and seek medical care.

If unsure call Telehealth Ontario – 1-866-797-000

### **Steps To Protect Yourself And The Church**

- Wash your hands frequently and thoroughly.
- Do not touch your face if possible.
- Avoid contact with the sick.
- Practice respiratory hygiene – cover your mouth and nose with a tissue or your bent elbow when coughing or sneezing. (Dispose of used tissues immediately.)
- When possible maintain social distancing – try and keep approximately 3' between you and those around you.
- Let your smile shine! Please hold off on shaking hands or giving someone a hug when greeting them.

### **As Christians what else should we do?**

- Trust God – No matter what happens God remains our refuge and strength, "an ever-present help in trouble." (Psalm 46:1)
- Pray – Prayer is a powerful tool that is at our disposal. Take time to pray for each other, for our community, for our country and for all those dealing with the Covid-19 virus.
- Reflect Christ – In these anxious days the church can shine as a light of hope, care and faith. Let us show the world how our faith provides true assurance against worry and fear.
